

US Patent Application Number: 10/673,688

REMARKS

Claims 1-4, 6, and 8-21 are pending in the present application. Claims 5 and 7 have been cancelled without prejudice or disclaimer to the subject matter contained therein.

As presented above, the specification has been amended to bring it into agreement with the drawings. No new matter has been added with these amendments.

Accordingly, in view of all amendments and reasons set forth above, the Examiner is respectfully requested to reconsider and withdraw the present objection.

Respectfully submitted,
